

DOING YOUR PART:

When we all pitch in, everybody benefits!

The Majestic Theatre is proud to offer excellent programs for our youth and teens. Productions like *The Little Mermaid Jr.* are fun and educational, but they are also expensive and time-consuming projects. As a non-profit organization, The Majestic Theatre depends on the community for volunteers, donations, and assistance with fund raising efforts. We try to keep our production fees reasonable, because we value all types of contributions from our actors and their families.

It is important for the youth, teens and families involved in this production to share in the responsibility of supporting The Majestic Theatre in order to make our productions financially sustainable. We ask that every family do its part. This form (paper copy or online form) should be submitted after the performance run. An electronic submission form will be emailed to you.
